Long Island City.

Sanford Proclaims Himself Mayor. and Appoints His Henchmen.

LONG ISLAND CITY, Jan. 17. - This muniupanty is to-day as much mixed up in its anairs of government as an opera-bouffe republic. It has two alleged Mayors, two alleged Corporation Counsels, two alleged soards of Police Commissioners, two alleged

sanford and Gleason is now on for the city cash, and whichever is successful in gaining outrol of the funds will be the future power in Long Island City politics.

like the here of almost every revolution. Boratio S. Sanford has at last taken a deci-ive step, and has publicly declared himself to be Mayor. He opened an office in the

recretary, George H. Crowley.

The appointments that are yet to be made are Commissioner of Public Works, Fire Com-Commissioners and Board of Education. Claimant saniord threw his last and most effective bombshell into the Gleason camp last night, when a special meeting of the Board of Aldermen was held to do his bidoffice of missing City Clerk Burke.

Mr. Sanford was then declared by the Aldermen to be the Mayor of the city, and duplicate seal of the city at a cost of \$10 in

lows:

To the Citizens of Long Island City:
On the Sth day of November last, you by your voice elected must the other of Mayre of this city.
Through a most author of Mayre retains of the Through a most number the canvassing officer of the city. Thomas P. Burke, the then City tierk, make a fairs return of the votes cast for the several candidates for the office of Mayor, which he high in the office of the Uerk ef the country of Quans, together with a certificate of the city of the votes of the voice, notwithstanding the fact that by the returns on hie in the City Clerk's office it appeared that I had received a plurality of 135 votes over Patrick J. Gleason. seen.

contrary to the plain provisions of the statutes, contage was taken by a ut there burse of tain derivation and the statutes of the writing of my me on the certificates of canvass by some the Inspections of Election, and when Court to which I appealed sought to papel tits Clerk Burse to right the wrong he commissed he sheconded before the order of Court could be served upon him. Through other creation law, however, the wrong come by tity or Burke has been partially raphed. And the

form the duties thereof.

y demand on Patrick J. Glesson that
turn ever to me the books and papers
the Mayor office I at been refused, and
continues to usure the functions
he office. Therefore, in view of the facts as
ed, with the knowledge that I am your duly
red chief magistrars, and that the courts will
mately sustain my action, and by the advice of
nsel and with the approval or the Common

Council. I have to day assumed the union of the orders of mayor.

In order that I may be successful in my aim to give the city a clean and bouest administration. I call upon all good citizens to aid me in my citoria.

HORATIO N. SANFORD, Mayor Long laiand City, Jan. 16, 1893. Long Island City, Jan. 16, 1893.

Mr. Senford expects to begin aggressive recion this attenoon, when the police force, consisting of Capt. Wood and thirty-three subordinates, will be required to declare allegiance to either Sanford or Gleason.

In case the police stick by Gleason. Sanford fars he will itsmiss the entire force on formal charges, and in case they declare for Sanford, Gleason says they won't be paid.

The policemen say they will do as Capt. Wood advises, but the latter cannot be found to give advice.

half a hundred men are Bunting after wood this morning to ascertain on which side of the fence he is going to alight, but the puzzied capitain is too busy to be visible to any one.

What will be the course of City Treasurer by Blockwenn is the most important.

What will be the course of City Treasurer F. W. Bickwenn is the most important question. Mr. Bickwenn is a sanford man, and says he will recognize the latter's warrants in the event that he does. Gienaon says he will bave the whole sanford governments arrested for looting the treasury.

Mayor Gienaon also alleges that a special act of the legislature is necessary to authorize the making of a new seal, and that it sanford uses the hastily constructed affair he now has, he will, teleason claims, be guilty of misdemeanor. Let them go and they will be used the making of a new seal, and that it sanford uses the hastily constructed affair he now has, he will, teleason claims, be guilty of misdemeanor. Let them go and they will be used to form the largest purse offered by any club.

IT IS MYERS'S OWN BILL.

We bater Denies Trying to Restrict the Comptroller's Power.

Assemblyman George P. Webster telegraphed to Comptroller Myers this morning denying that he had introduced in the Legistature a bill intended to deprive the Comptroller's power.

An Interview with Mr. Sanford indicated that he is using the same brand of war paint as is Mr. Gleason.

"I will make another demand this afternoon for the effice," he said, "but will not try to take it by lorce, I will certainly control the police force, and will begin its reorganization (oday, Members who refuse to reorganize me will be discharged.

"I do not know what Capt, Wood will do. "I do not know what Capt, Wood will do. "I do not know what Capt, Wood will do. "I do not know what Capt, Wood will do. "I do not know what Capt, Wood will do. Elevated Structures Not Intended for Billboard Purposes.

The officials of the Kings County Elevated Railroad, Brooklyn, are very much exercised this morning over the decision of Justice Bartlett, yesterday afternoon, in a suit against the road by Ellen Sheffield.

Mrs. Sheffield owns a building at the corner of Fulton and Cumberland streets. It is calmed that the Elevated structure and station has damaged the property of the riantiff by cutting off the supply of air and light.

Gen. Theodore B. Gates, counsel for Mrs. tiff by cutting off the supply of air and light. Gen. Theodore B. Gates, counsel for Mrs. Shefileld, called attention to the tast that the railroad company had erected auvertising boards all over the station.

Justice Bartlett said: "The railroad company has no more right to erect bill-boards on its structure than a private party has. It is an assumption or right which was not intended to go with the iranchise. The Elevated railroad is liable for any damages caused by them."

The hypophosphites of lime and soda combined with cod-liver oil in Scott's Emulsion improve the appetite, promote digestion, and increase the weight.

They are thought by some to be food; but this is not proved. They are tonics: his is admitted by all.

Cod-liver oil is mainly a ood, but also a tonic. In Scott's Emulsion the od-liver oil and hypophosphites are so combined as to
